**Paddy's 2025 is a special edition gin**, which marks the partnership with TAZON to celebrate its new Padel courts at Salice Terme Golf&Country. It is a pure distillate, refined and characterized by the aromas of elderflower, grapefruit, orange blossom, and clary sage. Its flavour profile indulges on floral notes, intertwined with classic juniper and fresh citrus accents, opening to red fruits. An astonishing complexity echoed on the palate, thanks to a velvet sip revealing balance and lightness. It is perfect as a straight drink, or to create a classic yet surprising Gin&Tonic
